What you need to know

- Use this form to sell shares on behalf of a deceased estate. There are 2 options available:

<input type="radio"/>	Option 1 - Sell some or all of the broker sponsored holdings held on the trading account for the estate. If your holding statement begins with the letter 'X' your shares are broker sponsored. If we are not the sponsoring broker, you will need to sell them through the original broker or transfer your shares to us by opening a trading account.
<input type="radio"/>	Option 2 - Sell Issuer Sponsored shares for the estate held at the share registry. Note: this option is only available if the deceased held a trading account with us previously under the same registration details. If your holding statement begins with the letter 'I' your shares are Issuer Sponsored. To sell Issuer Sponsored shares, you must firstly update the registration details with the share registry to include "EST/ESTATE" and update the registered address to match the address of the estate trading account. This must be identical to sell Issuer Sponsored holdings. You will need to contact the share registry to arrange this.

- The personal and contact details provided on this form must match your existing account or proof of identification.
- Brokerage rates apply. Please refer to the Financial Services Guide available on the website to view the brokerage rates.
